My name is Carol and I'm eleven years old . I get up early in the morning and watch T.V. before I go to school. School starts at 9:00a.m.and ends at 3:45p.m. This year I'm learning Language (English) , Maths , Science , French, History Geography and Religion.

When I get home after school I always play with my kitten. I usually do my homework before 6:00p.m. I like playing the guitar in my spare time and writing in my diary before I go to bed.
